Jane Mannon
Director of Special Projects

Season's Greetings Main Street!

Please let me take this opportunity to introduce myself, Jane Mannon, as the Director of the Special Projects Office for the City of Woodland Park. This is an expansion of the former Economic Development Office, which includes Main Street, and many other opportunities to contribute to the success of Woodland Park! I have been involved with Main Street programs previously, and I am a firm believer in the system and the results it can bring to the City. In my short time with Woodland Park, I have seen a group of amazing volunteers who have coalesced behind our rock star coordinator, Darlene Jensen. Great things are on the horizon for Woodland Park and Main Street.

My office is at the Centennial Trailhead at 710 W. Midland Ave. Please stop by and say hello. I would love to meet you and hear about your ideas and tell you about what I am working on. Wishing everyone very happy holidays and a blessed new year!
